3) The following further information may also be necessary to be had from the Collector.

(i) The office bearers of the hostel

(ii) whether it is run under the auspices of any Association and if so whether the Association is a Registered one

(iii) The report of the working and activities of the hostel for the past ~~5 years~~ two or three years

(iv) The number of inmates in the hostel

(v) The need for its extension

(vi) The market value of the land proposed to be granted.

4) The Extract on which site in the Sketch was leased to the Co-Operative Colony Society and other and under what authority it was leased to them are also not known the authorities of the Society may also have to agree to the proposed exchange as they

Copy of letter dated 1st September 1952, from Sri P K Ramaiya. President, R Gopalswamy Iyer Harijan Vidyarthi Nilaya, No 892, IVth Cross Road, Sreerampuram, Bangalore, to the Chairman, Standing Committee (Town Planning & Improvements) Corporation of Bangalore, Bangalore City

---

SUBJECT - Prayer for grant of additional land lying towards the west and south of the site already granted to the above Hostel Building

---

The Managing Committee of the Hostel has been extremely grateful for the extension of the generosity of the Corporation of the City of Bangalore in granting them a site for the construction of the Hostel free of cost etc , and for the continued help which is being given The Hostel is purely meant for the education of the poor Harijans The Hostel is purely run by the public charities, and philonthropic institutions like Corporation of Bangalore

The Managing Committee have ta'en up the construction of the said hostel and the money for the same is being collected from the public The site granted to the said hostel is very inconvenient and and unaccommodative The whole area granted to the Hostel has been covered by the built-portion of the building without leaving any lung-space either towards the west or towards the south Ir such a case after the completion of the building the students will have to experience great hard-ships They will not have any space for the o door games and such other requirements of the Hostel More-over the flush-out which is situated just at the extreme south of the Buildi will have to be made to run in the land situated towards the south the said Hostel as per the approved plan of the Government Architect and the Municipality. The land situated towards the south of the Hostel is understood to be leased out to the Srirampuram labour Colony Co-operative Society are not interested in taking up this for the society If the land measruing 75 feet towards the west of the north site co-extensive with the length of the site of the Host and the land lying behind the hostel and the land lying behind the land proposed to be given, towards the south up to the road is not granted to the hostel, it would work out great hardship on the students and for the future extension of the building

I, on behalf of the Managing Committee of the Hostel, request that the additional land prayed for lying towards the west and south of the Hostel may kindly be granted free of upset price

Thanking you,
